We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. I use photographic oils to make the picture "come alive". I try to sculpt with color. My use of color is based on the principles of the Impressionists and Paul Cézanne.

Colors are applied with cue tips and blended with wads of cotton.
